Executive Director's Report

2016 has been an exciting year for SCA! We were thrilled to get funding from the Norcliffe Foundation again which allowed us to expand our programs to South King/Pierce County. In 2016, we started offering a popular mosaics class and have been enjoying offering clay programs at many facilities as well. Our Paint and Sip fundraisers are gaining popularity and our Annual Artshows continue to be a success. We are excited to be learning more about the population we are serving in order to offer the most enriching engaging art programs. Finally we are staying busy raising funds so that seniors will have access to more Seniors Creating Art programs in 2017. Thank you for your generous support! *Sincerely, Raeanne McAlister*

"This class and SCA is a fine altruistic organization who makes seniors lives vastly better!"
